THE HOME FOR LUXURY TRAVEL

No matter what 'home' means to you, there is surely something meaningful about the place we all call home. It's the place we meet our family and friends and the place we look forward to coming back to after our travels.

HOME OF LUXURY by ITB is the key: one-on-one business meetings in a cozy and unusual atmosphere. Pre-scheduled meetings and open networking, panels & talks, meet-ups with the media and get together events will round off the experience. There are four exhibition areas, **The Garden, The Library, The Nest** and **The Gallery**.
